monotone

Rights-holder: Munzi Studio · Licensed via Iptoria

Overview

monotone is a minimalist monochrome character line. Maintain strict black/white contrast; the single accent colour is used sparingly. This brand & usage guide defines how the IP may be applied on licensed products. All usage is subject to the executed license agreement and licensor approval.

Usage rules

✓ DO

- Use the supplied master artwork and vector files only
- Keep the minimum clear space (1× the character height) around the logo/character
- Reproduce the official colour palette exactly (see swatches)
- Submit all artwork for licensor approval before production
- Credit the rights-holder where required by the agreement

✗ DON'T

- Do not stretch, rotate, recolour or add effects to the character
- Do not crop, occlude or combine with other IP without approval
- Do not place on offensive, political or competing-brand contexts
- Do not recreate or trace the character as new artwork
- Do not use low-resolution or screenshot assets

Typography & clear space

Use the brand's primary typeface for headlines and a clean sans-serif for body. Preserve minimum clear space of 1× the character height on all sides. Minimum reproduction size: 18 mm tall for print, 64 px for screen.

Approvals & contact

Submit production-ready artwork to the licensor for written approval before manufacturing. Approval SLA and contact details are provided with your license. Unauthorised uses are a breach of the agreement.
